A Note About The Activity Edition, printable version

Whether you're reading a good book or spending time with the ones you love, sometimes you just don't want the fun to end!

That's how I feel every time I read *A Birthday Cake-Tastrophe*. It got me thinking of ways to keep the Grandpa Bunny Birthday Party fun going.

Wouldn't it be neat if we included coloring activities at the end of the story where the reader could...

- Decorate a birthday cake picture the way they want?
- Choose and color their favorite hats and ties to help the bunnies dress up?
- Prepare a party space with colored balloons, banners, and gifts?
- Share their Cake-tastrophe-inspired artwork with the author?
